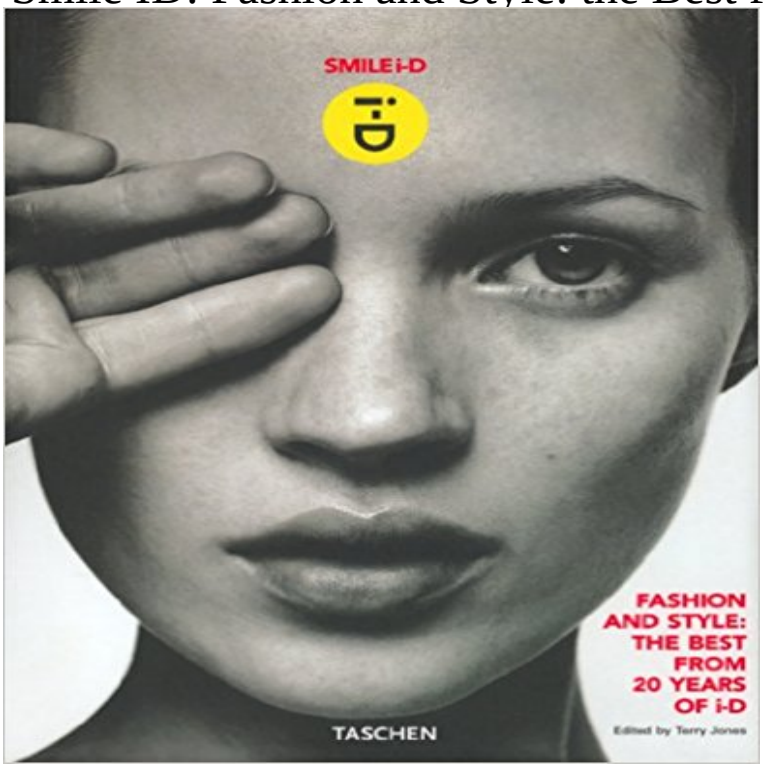
Smile ID: Fashion and Style: the Best from 20 Years of ID



The year 2000 marked the issue 200 and year 20 for i-D Magazine. Blending fashion and social documentation, early issues of i-D (now major collectors items) were presented as 40 pages stapled together. Smile i-D incorporates a single spread from each issue of the magazine so far, capturing stars before they were even famous. With teamwork and innovation i-D is now at the forefront of contemporary fashion, culture and now has global distribution. It is a publication, which has revolutionised not only the world of fashion magazines but also fashion itself.
