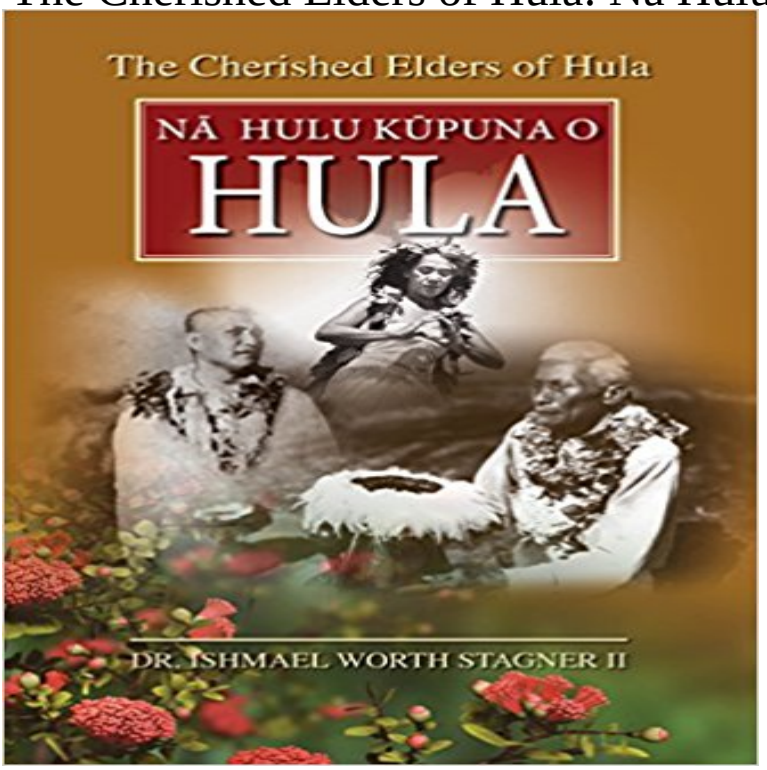
The Cherished Elders of Hula: Na Hulu Kupuna O Hula



The Cherished Elders of Hula generously offers a glimpse into the sometimes veiled world of Hula through a keen yet old school lens. It shares personal reflections of Hula masters, chanters, dances, and composers, both past and present, offering insight into the spiritual side of Hawaiis national dance, reminding us of Hulas sacredness. It is also a reminder that Hawaiian traditions, especially those of Hula are sometimes shared selectively, and require much time, patience, commitment and respect to learn and appreciate. For those just learning about Hula, here is an understanding of its non-visual and physical aspects.
