

## 100 Tips for a Happy Baby (Happy Tips)

Simple yet sound advice on all areas of the new baby's well-being takes moms from newborn infant to toddler. Clear guidelines and suggestions advise on how to build a special relationship with the baby through everyday activities. Health care, feeding habits, sleeping, game playing, and keeping both mom and baby happy are included in this delightful little collection of tips to help the new mother raise a blissful baby. Attractive illustrations and expert advice combine in a handsome format in every Happy Tips book. Approximately 50 stylish illustrations emphasize the happy expectations as childbirth approaches and after baby is born. These delightful little books make great gifts for baby showers.
