

Five Keys- 5 Keys and 1 Keyhole to Cross Stitch

Here are 6 original steampunk inspired cross stitch patterns, 5 skeleton keys and 1 keyhole. The patterns can be stitched fairly quickly in whole stitches in one color and on 14 count fabric will fit in a 4x6 inch frame as a housewarming gift or make the full set to hang on your own walls. Because they are whole stitches, the patterns will also work for other square graphed projects such as in filet crochet. Fully linked table of contents with a return to table of contents link at the end of each pattern for easy navigation.
