Introduction: First of all thank you for picking this eBook to help you learn Watercolor painting, especially if you want to paint birds, as a beginner I understand how you feel, when you first attempt to paint with Watercolor in your early projects or just want to try it for fun, and how frustrated you became when you see your works looks horrible compare to your friends and classmates, since you dont know the basic of it, so lets leave behind all that negativity and move forward, I will teach you the basics of Watercolor techniques and other important things you need to learn, and Im sure after you finish all the exercise you will be able to paint any bird you want to paint, and sky is the limit. So follow my methods and directions, of how to paint in Watercolor, and I promise that it would be very easy as learning Alphabets and Numbers. You will learn how to hold your brush, learn various techniques, mix color and learn the nature of it, by that you will be inspired and appreciate colors, seeing it in a new light than before. Give time in doing the exercises and you will have the skill of a true Water-colorist as well as an Artist.
