

New Yorks 1939-1940 Worlds Fair (NY) (Postcard History Series)

The 1939-1940 New York Worlds Fair promised a new age of global communication, nationwide superhighways, and suburban living-and it delivered. Crafted by designers such as Walter Dorwin Teague, Norman Bel Geddes, and Raymond Loewy, the twelve-hundred-acre fair in Flushing Meadows sold visitors a streamlined world of consumer goods-teardrop cars and smoking robots, electric dishwashers and nylon stockings-manufactured by companies such as Westinghouse, General Motors, and AT&T. In New Yorks 1939-1940 Worlds Fair, insightful narrative accompanies dazzling postcards, advertisements, and illustrations of Democracy, Futurama, the Lagoon of Nations, and the famed Trylon and Perisphere, recalling the promise and optimism of a fair that enchanted forty-five million visitors.
