

## Knit: Advance Knitting ( Intarsia Knitting, Fair Isle Knitting, Advance Stitches and Fun Yarns )

Take your skills to the next level and develop your Knitting further. In this second volume, *Advanced Knitting*, will teach you the skills you need to become an advanced knitter. First Susan teaches you how to read charts and grafts, plus gives you tips on working these types of patterns. You will learn the two most popular color work techniques, Intarsia and Fair Isle along with the differences between them. These techniques create pictures and patterns, but use very different methods. Advanced stitches and techniques are included, and each chapter includes patterns for you to practice your new skills. Susan has also included a chapter about working with fun yarns and gives you patterns to try out. Chock full of step by step instructions, lots of pictures and illustrations, along with resources, tips, and links to instructional videos, *Advanced Knitting* is your guide to the next step in moving forward in your knitting skills.
