

50 Things to Know About World Travel: Tips and Tricks You Should Know Before Exploring the World

Would you love to see more of the world? Are you planning on taking a trip to a new place where you have never been before? Do you long to see more of the world than you see on a regular basis? If you answered yes to any of these questions then this book is for you... 50 Things to Know About World Travel by Amanda Walton offers an insiders approach to traveling to new destinations around the world. Most books on world travel tell you to see all of the major attractions. Although theres nothing wrong with that, sometimes you will find the most beauty in the unique and obscure attractions no matter where you are going. Based on knowledge from the worlds leading experts you can learn how to travel safely and smartly to a new place. In these pages youll discover many new things about traveling around the world. This book will help you to find the right places to stay, learn about traveling somewhere youve always wanted to go, and help you to have the most fun possible while you are on your trip. By the time you finish this book, you will know how to safely travel to any place in the world. So grab YOUR copy today. Youll be glad you did.
