

## 47 Free Things To Do In Denmark: The Best Free Museums, Sightseeing Attractions, Events, Music, Galleries, Outdoor Activities, Theatre, Family Fun, Festivals, ... Denmark. (Travel Free eGuidebooks Book 15)

Denmark may be one of the most expensive travel destinations in the world, but it is possible to have rich cultural experiences across the country without breaking the bank. How? You find the free things to do! That what makes this book different from other discount guidebooks. Its not about cheap things to do. Its exclusively about FREE things to do and how to get free travel incentives. Did you know that the largest Carnival in Northern Europe is hosted by the Danish city of Aalborg? Many dont know this, but Denmark literally overflowing with free activities, destinations, events, and music, festivals, and more. And thats what this book is all about: having a good time without spending a dime. You can stretch your travel budget, if you know where to look! For example, inside you will find free attractions such as: An outdoor museum with over 3,000 works of art A library that was the scene of the largest book theft in history A church with views from the top of a 90-meter spire Two of the countrys best choirs The oldest amusement park in the world The Days of the Thunder Shield Jazz Festivals The largest Carnival in Northern Europe The Night Watchman Tour The Hans Christian Anderson Trail Many more free attractions

This book includes free things to do in large cities like Copenhagen, and smaller towns like Silkeborg, Aalborg, Aarhus, Humlebaek, Roskilde, Midtjylland, Jutland, Frederickshavn, Horsens, Amager, Ribe, Odense, Rubjerg Knude, and South Zealand. **WHY THIS E-GUIDEBOOK IS DIFFERENT** This book is not about discount travel. Its about FREE travel.

1) It only includes free activities, events, locations & attractions 2) its exclusively formatted for the Kindle and Kindle App 3) Its interactive, so you can easily access directions from your current location, reviews from other travelers, and more information entries in the book. **WHAT**

YOULL FIND INSIDE This book is part of the Travel Free eGuidebook Collection. It is also a chapter in 250 Free Things To Do In Scandinavia, and my upcoming Free Things To Do In Europe. Readers of my blog and other guidebooks on free things to do in Europe have been asking me for more free attractions across Scandinavia, and so this book was born. Its shorter than most of my others and priced lower. Inside youll find attractions that are always free, sometimes free, or free for certain people. Each entry has a well-researched description, contact information (email, phone, website), and links to contextual information. Color photos too! It works great with the Kindle App for your smartphone, so you can get directions from Google. Thanks to many loyal readers who email me when information changes and when they find free activities, this book is constantly being updated. It has been reorganized by town location, but still includes a reference by city and one by category, so you can quickly find all the free museums, art, literature, music, etc. This book will help you enjoy Denmark spending nothing but time. Its just a few bucks, but it could save you hundreds.
