

## Blue Guide Berlin and Eastern Germany

This new Blue Guide provides the first detailed description of the art and architecture of post-unification Berlin and Eastern Germany. It is an invaluable guide to the former royal palaces of Dresden, the superb art collections and museums founded by imperial patrons, and the brick Gothic of the Hanseatic League. There are more than forty tours and a wealth of practical information to help visitors explore this little-known part of Central Europe. 30 photographs / 25 maps and plans
