

Pickled Punks & Girlie Shows: A Life Spent on the Midways of America

Step down a little closer; you don't want to miss a thing. Join fifty-year sideshow veteran, Rick West, on a strange and wonderful trip through behind-the-scenes tales of his life as a showman. The strange, the bizarre, the unusual comprise this engaging memoir bursting at the seams with rare images of two-headed cows, Bigfoot creatures, pickled punks, showgirls, humongous hogs, 3,500-pound steers, and much, much more. From attending the Ozark Empire Fair at age five to revealing the true story behind Frank Hansens infamous Minnesota Iceman, the author takes the reader into the world of Americas sideshows and midway grind shows. Its all here; its all on the inside. See it now or miss it forever. Its showtime!
