

Playboy: The Complete Centerfolds

Following the remarkable success of last years limited deluxe edition, were pleased to present The Complete Centerfolds in a new compact package. The content remains the same every Centerfold from every issue. Thats over 600 beauties. Weve also added the Centerfolds from 2007 to make this Playboys most complete photographic volume to date. Hefner introduces the book and literary luminaries including Paul Theroux, Jay McInerney, and Daphne Merkin comment on the social mores and cultural climate of each decade. This chronological collection provides an unparalleled view of our evolving appreciation of the female form: from the fifties fantasy of voluptuous blondes to the tawny beach girls of the seventies to the groomed and toned women of today. The Complete Centerfolds is a breathtaking tour de force.
