

## A Stroll Through Munich - The City on Historic Postcards: Munich: Tradition and City History (Calvendo Places)

These historical postcards give us a glimpse of many sights in the German city of Munich around the turn of the last century. Though many things have changed since then, a lot of these places are still recognizable today, including the Maximilian Bridge and Karlsplatz, the Nymphenburg canal and the magnificent Feldherrenhalle. This series of historical postcards is a charming reminder of the glorious past in one of Germany's most beautiful cities. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
