This is Beatrix Potter true English Classic for children! All of the stories have a subtle educative moral. Disobedient children are punished in some books but this does not mean they are dark stories. Infact her stories are so light the children can not get oppressed. All the characters are full of life, love and portray great imaginative fun. To find more titles in your format, Search in Books using EasyRead and the size of the font that makes reading easier and more enjoyable for you.
