

Reason 2.5 Music Master Kit

REASON 2.5 POWER! Put the power of Reason 2.5 to work for you as you produce amazing music. Reason 2.5 Power! shows you the ins and outs of this popular program as you work your way through several in-depth tutorials designed to teach you how to use Reason 2.5 to its fullest potential. With this book, you'll dive right in and learn to use Reason to program loops and synths. You'll get detailed tours of the individual Reason devices, including the Mixer, the Subtractor and Malstrom synthesizers, the Matrix Pattern Sequencer, the Dr:rex Loop Player, the Redrum Drum Computer, and many more. By the time you're finished, you'll be ready to synchronize Reason with other devices, use automation, and mix and publish your creations to CD or the Web. Unleash the power of Reason 2.5! REASON 2.5 CSI MASTER If you've been using Reason and want to get more out of your rig, then Reason CSI Master is the product you've been searching for! Get ready to master the key operational techniques and cool new features of Propellerheads Reason with this interactive CD-ROM. If you're a new user, the Introduction topic will take you through set-up, first record, edit, and mix. The CSI movie tutorials include not only functionality, but also production techniques, special shortcuts, key commands, and before and after audio examples. Let Reason CSI Master take you to the next level of software and production operation through detailed discussions of software buttons, elements and menu items, production technique demonstrations, shortcuts, and tips. Even the most experienced Reason user will find tips and techniques to take their expertise to new heights!
