

Main Enterprises Presents! (Main Enterprises Presents! Book 1)

Main Enterprises Presents! is a comic book anthology which showcases a variety of material by many notables of small press comics. This issue features the premiere of Cathedralier a fantasy strip by E.J. Johnson, Tony Lorenz and Jeff Austin...Lawe and Order, a new, gritty, super hero outing, by Robert J. Sodaro, Hal Jones and Mindy Lopkin...Betsy the Book Writer, a regular, cheesecake laden, cultural parody strip, returns, in The Wizard of Odd, by Rock Baker and Jeff Austin...and, rounding out the issue is the return of female adventurer Black Violet, in End of the Line, by Barry Southworth and Scott Shriver. Quite an enjoyable read!
