

Durer: Masters of Art

This generously illustrated volume on the work of Durer makes the worlds greatest art accessible to readers of every level of appreciation. This monograph explores Durers entire life and oeuvre by focusing on the most important of his works. It follows the artist as he traveled throughout Europe, completing commissions for noblemen, kings, emperors, and popes-all the while satisfying his own thirst for knowledge and struggling with the changes brought about by the Reformation. Overflowing with impeccably reproduced images, this book offers full-page spreads of masterpieces as well as highlights of smaller details-allowing the viewer to appreciate every aspect of the artists technique and output. Chronologically arranged, the book covers important biographical and historic events that reflect the latest scholarship. Additional information includes a list of works, timeline, and suggestions for further reading.
