

Gods Children

Charles M. Schulz wasnt just the worlds most beloved cartoonist. He was the father of five, a Bible school teacher, and the man who made sure that the message of Christmas was in A CHARLIE BROWN CHRISTMAS, bringing the words of the Gospel of Luke to the primetime network airwaves every year for almost half a century. In this collection, the man who redefined how we see children gives us dozens of cartoons about little kids and the way they seek and find faith on their own terms.
