

## Greeting Cards: A Collection from Around the World

The greeting card represents a playground of opportunities for the designer. There are so few guidelines and restrictions to content with, that one is left free to experiment with new techniques and ideas. The nearly 300 cards presented in this book were carefully selected from around the world to showcase innovative ideas of prominent graphic designers. This book will give readers a fresh look at this genre of graphic design, and the overwhelming variety that it has to offer.
