

# All That Glittered: My Life With the Supremes

Stop in the name of love of Motown, and read Tony Turners dazzling insiders story--updated with new material for the blockbuster 2000 Supremes tour! The Supremes were the golden girls of Motown, living large after a streak of gold records. Tony Turner was a streetwise kid from Harlem when he first met Flo Ballard in a New York department store. But from that chance encounter, Tony became virtually the fourth Supreme--serving as the groups mascot, gofer, and confidant. All That Glittered is a unique, behind-the-scenes look at the super group--from the only insider with nothing to hide.
