

Spider-Man: New Ways To Die

Collects Amazing Spider-Man (1999) #568-573. THE THUNDERBOLTS are coming to New York to take down Spider-Man! Spideys a villain? Norman Osborns a hero? What kind of crazy, mixed-up world is this? Next thing you'll tell us is that black is white and white is black... or maybe that has something to do with Venom, Mister Negative, and the birth of an all-new Spider Villain! Or would that be an all-new Spider-Hero? Spideys Brand New Day will be changed forever!
