If you're in Buenos Aires and you hear, 'Che boludo, cacha los leones que estan hechos de goma y llevaselos a la nani del groncho, que te los deja joya'. Don't bother looking for these words in your Spanish-English Dictionary because you're sure to be disappointed. What you need to do is consult this Mataburros, Lunfardo-English, your only hope for deciphering how Argentines really talk. If you're interested in Tango, the lyrics, or you love to go to Milongas, this book is a must have. Beyond your everyday needs, our Mataburros also contains translations of Tango lyrics. Check out this book; enjoy it, and use it to learn. You'll find yourself immersed in Argentine culture, learning about things like vesre (a flexible type of pig Latin). In this book what you get is real Lunfardo, the essence of Tango culture.
