

Lumina (Misadventures of a Wanton Hussy Book 1)

Isabelle is about to have her virginity auctioned off to the highest bidder. Only stern, sensible Salvatore, her cruel aunt's solicitor, can rescue her. While he has been her tutor, she has fallen deeply in love. But Salvatore has dark secrets that keep him from temptation. Their futures seem destined to be apart. Her pride wounded by his rejection, and trust broken by a shocking discovery, Isabelle tries to forget him. Determined never to endanger her heart again, she finds another man to satisfy her sexual needs. Until a surprise inheritance brings her back to Salvatore. Now named Lumina, she wants two things from him: the cock he once denied her. And vengeance. Salvatore, now a free man, has other ideas. He bitterly regrets losing her before and will do anything to keep her this time, even sharing her with other lovers. Until she is ready to commit herself solely to him.
