

Voodoo Vol. 1: What Lies Beneath (The New 52)

As a part of the acclaimed DC Comics - The New 52 event of September 2011, Priscilla Kitaen is Voodoo, a mysterious beauty whose origins and motivations are unknown, seemingly even to her. Regardless of whether she is a hero, villain (or both) Voodoo is on the run in the new DC Universe, trying to stay one step ahead of her pursuers, using all of her considerable skills to complete a mission that will put the entire Earth in danger. Will even her shapeshifting powers be enough to keep her pursuers, including Green Lantern Kyle Rayner, at bay? DC's sexy, edgy new series, coming from the minds of writer Ron Marz (GREEN LANTERN, ION) and artist Sami Basri (POWER GIRL) is a fascinating look at one of the unseen corners of the DC Universe!
