

American Premium Guide to Knives & Razors

Whether you are a seasoned collector or may have discovered Granddads old pocket knife and want to know if it is of any value, this book is for you. This identification and price guide updates current values for thousands of the most popular and collectible knives and razors, uncovers trends in pricing and features a new section on commemorative knives. Covering major manufacturers including Case, Queen, Remington, Robeson and Winchester, the book helps you identify and date individual knives or whole collection.
