

Education Law Manual

Designed to ensure you are kept up-to-date with the very latest issues and developments, Education Law Manual looks at the law as it affects further education. It provides clear and practical guidance on the latest legislation, circulars and cases that affect schools, as well as further educational organisations and institutions. The coverage takes in a wide range of legal issues including school admissions and exclusions, special education and child protection, finance and taxation PFI funding, governance and the special provisions in employment law peculiar to the education sector. Education Law Manual is an essential service for all solicitors and barristers specialising in education law, as well as local authority legal and educational departments, unions, higher and further educational organisations. Subscribers receive their first years updating issues as part of the purchase price (two service issues approx per year), and are then charged annually for subsequent updating.
