

## Andrew Martin Interior Design Review: Volume 2

Visually stunning, informative and inspirational, the Andrew Martin Interior Design Review, demystifies the interiors industry and recognizes the talents of today's designers. A showcase for the prestigious Andrew Martin Award for International Interior Designer of the Year, with such illustrious judges as Davig Tang, Anouska Hempel and Alexandra Shulman, it reviews the work of distinguished entrants from around the world. The interiors featured range from hotels and presidential suites to mud huts and a tepee. In-depth interviews provide a unique insight into each designer's style and philosophy. With a mixture of classic, traditional designs and clean contemporary looks, the Interior Design Review is a must for anyone with an interest in interior design or those who simply wish to be inspired.
