

Angel #15

A huntress is stalking demons in LA. Normally this would be a good thing, except shes leaving survivors and telling them Angel sent her. Now, Angel has an army of demons on his tail, hell bent on revenge. Whats a vampire to do? And how long can his human companions, Cordelia and Wesley, remain safe? Chapter 1 of Past Lives is the first in a four-part crossover with Buffy the Vampire Slayer, one which will have lasting effects on both titles. The entire story arc is created by writers Christopher Golden (Buffy the Vampire Slayer: The Watchers Guide) and Tom Sniegoski (Realworlds: Batman), with penciler Christian Zanier (Rising Stars).
