

Animal Planet: Worlds Most Dangerous Animals

Grizzly Bears, giant Salt Water Crocodiles, rogue Lions... we don't occupy a place on their list of usual prey items and rarely do we cross paths with these deadly predators. Still, on occasion, the most dangerous animals in the wild set their sights on humans and when they do the results can be devastating! This first book in Silver Dragon Books Animal Planet series looks at these terrifying encounters and illustrates what happens when humans interact with the Worlds Most Dangerous Animals!
