

Anita Blake, Vampire Hunter: The First Death

Anita Blake's adventures began with the novel *Guilty Pleasures*, where the vampires of the St. Louis area tried to recruit the veteran vampire hunter to help them solve a peculiar mystery. But there were many mysteries about Anita Blake's past that were left unanswered...until now. Laurell K. Hamilton and Jonathon Green have finally released the official prequel to the long-running novel series, written exclusively for comics, and featuring the adventures of a younger Anita Blake as she teams up with popular characters Edward and Jean-Claude for a vampire hunt fans will absolutely love sinking their teeth into. It's the perfect story for old and new fans alike! Collecting Laurell K. Hamilton's *Anita Blake, Vampire Hunter: The First Death* #1-2, *Anita Blake, Vampire Hunter: Guilty Pleasures Handbook*
