

## Archer & Armstrong Vol. 1: The Michelangelo Code (Archer & Armstrong (2012- ))

Its history in the breaking!After years of meditation and training, 18-year-old Obadiah Archer has been dispatched to New York City to carry out the sacred mission of his familys sect - locate and kill the fun-loving, hard-drinking immortal known as Armstrong! But as this naive teenage assassin stalks his prey, hell soon find that both hunter and hunted are just pawns in a centuries-old conspiracy that stretches from the catacombs beneath Wall Street to the heights of the Himalayas. And Archer & Armstrong will have to work together if the future is to stand any chance of surviving the pasts greatest threat!From the New York Times best-selling creative team of writer Fred Van Lente (Marvel Zombies) and Clayton Henry (Incredible Herc), this volume collects ARCHER & ARMSTRONG #1-4!
