

Family Ties

Annie Ferguson was one of Manhattans brightest young architects. But overnight she became mother to her sisters three orphaned children. It wasnt the life shed planned, but one that rewarded her tenfold for every sacrifice shed had to make. Now, at forty-two, with a satisfying career and a fulfilling family life, Annie has reconciled herself to being single. With the children now grown into young adults and confronting major challenges of their own, she is navigating a parents difficult passage between lending them a hand and letting them go. Then, an accident leads Annie to a man who will tempt her to reconsider her belief that it isnt too late to fall in love, after all...
