

Survival Reflex

GREEN HELLA desperate call for help on behalf of an old friend put Mack Bolan in an awkward position. Dr. Nathan Weiss is plying his life-saving skills among the Brazilian tribes embroiled in civil war in the heart of the blood-drenched Amazon. Bolan is not sure Weiss wants help, yet the Executioners combat senses tell him Weiss is part of something bigger. And finds it on a collision course with government death squads holding hands with CIA black ops who view Weiss as a liability to the U.S. The odds against the missions success greatly increase and Bolan becomes a moving target when hes temporarily blinded in a firefight. But the Stony warrior goes into every battle knowing trouble even death will eventually find him. Hes prepared for both.
