

Astro City Vol. 12: Lovers Quarrel

In this new ASTRO CITY collection, the spotlight falls on Quarrel and Crackerjack as they face a real crisis: what does an aging crimefighter do when time starts to take its toll? Plus, a look into Quarrels origins-and the end of the line for one of Astro Citys most stalwart heroes. And whats a talking gorilla to do when hes always wanted to be a drummer in a rock & roll band? Thats right, you go to Astro City. But from there, well, things are never all that simple. Collects ASTRO CITY #18-21 and #23-24.
