

Bacchus Omnibus Edition Volume 1 (Bacchus Omnibus Ed Gn)

In Bacchus, the visionary behind From Hell (with Alan Moore) and ALEC: The Years Have Pants presents his version of an American-style comic book, filtered through his own brilliant, whimsical, and wide-ranging sensibility. With a fine blend of action, comedy, suspense, and an ear for a great story, Bacchus brings the gods and myths of ancient Greece to modern life, as if they had never left. Nearly 600-pages, this deluxe volume collects the first half of the Bacchus saga (including Immortality Isn't Forever, The Gods of Business, Doing the Islands with Bacchus, The Eyeball Kid: One Man Show, and Earth, Water, Air & Fire) with new notes and commentary by the author.
