

## Pauline Frommers Italy 2008: Spend Less, See More: For a New Generation of Smart Travelers

Spend less and see more in Italy. Are you ready to travel smart? If you'd like to get the most out of your dollar and your trip, this guide is for you. I put a fresh spin on budget travel, showing you how to see the best for less and how to see it in a more authentic way, the way the locals do. Instead of spending \$300 a night for a chain hotel, why not stay in a light-filled apartment in Rome's historical Trastevere neighborhood from just about \$125 or in one of Italy's monasteries for as little as \$35? Or how about enjoying a plate of hearty appetizers at Venice's Cantino do Mori, so you can splurge on Paolo Sennis tagliata di fesa di vitella at Cane & Gatto in Siena? Let me show you the other Italy, the only one insiders know about. Take a one-day paper marbling class in Venice or learn to cook the perfect ragu in Bologna. These are only a few of the great ways to get closer to the culture of Italy. Read on for more. Happy travels. [Text from Back of Book]
