

# Barrons GRE Verbal Workbook

Prospective graduate students preparing for the GRE will find intensive and carefully focused preparation for the exams verbal reasoning section in this book. The author discusses the purposes and structure of the question types, providing more than 380 example questions with explanations that demonstrate how to arrive at correct answers. Test takers will also find: A diagnostic test that allows students to pinpoint their strengths and weaknesses Extensive practice and review chapters that cover all three general question types: sentence equivalence, text completion, and reading comprehension Two full-length practice tests with answers and explanations A concise GRE Dictionary--a vocabulary list with definitions that all successful GRE test takers must master
