

Conan the Barbarian #20

A twisted religious order targets the heathens Conan and Belit, who flee with a relic of immeasurable value. Mad warrior monks pursue the couple across a mazelike landscape, cutting off every avenue of escape. With no other options, Belit looks to the mysterious item, hoping to find some salvation within. From Brian Wood (Star Wars, The Massive) and Paul Azaceta (Amazing Spider-Man, B.P.R.D.)! Wood is not afraid of going down new paths with a boldness that will benefit all readers.
