

Batman: Face the Face

When his parents were murdered, billionaire Bruce Wayne vowed to dedicate his life to avenging them. Now, he is Gotham City's greatest protector...he is the Batman. It is one year after the events of Infinite Crisis, and Batman and Robin have been noticeably absent from Gotham. But now, a murderer is stalking the city...and the victims are all supervillains! Now, a desperate Commissioner Gordon must call on the Dark Knight once again - to catch a killer! Written by James Robinson, whose Starman series won critical acclaim and a legion of devoted fans, and illustrated by Leonard Kirk (JSA, Aquaman), this fresh take on the Dark Knight is ideal for new readers and long-standing Bat-fans alike!
