

## Batman Incorporated Vol. 1: Demon Star (The New 52)

Eisner Award-winning fan-favorite writer Grant Morrison concludes the Batman epic he began nearly a decade ago in *BATMAN & SON*, pitting the entirety of Batman Incorporated against the Leviathan organization headed by the Dark Knights former romantic interest Talia al Ghul. As Leviathan enacts a plan that threatens the world, Batman and his allies must fight against the rising storm--but not everyone will make it out of the encounter alive.
