

Lettering: Beginners Guide to Lettering and Calligraphy Fonts for DIY Crafts and Art

Lettering and Calligraphy 101 - Your Ultimate Guide to Writing Art Write and make a profit out of it! Are you the type who enjoys writing as a form of art? Are you fond of turning simple looking letters into more creative ones and give life to each of them? Do you wish you can do better with your hidden talent and someday use it for your own advantage? If so, you came to the right place! This book will introduce you to the world of calligraphy. If you do not know yet, calligraphy is a form of art writing that is used for wedding and other event invitations, logo design, graphic design and many more. As it can be a fun pastime for others, calligraphy can be taken seriously and done professionally. With the right amount of practice, passion, vision and patience, the possibility of putting up a business is high! So Hop In And Learn About:
