

Beneath the Word (CD)

The heartbeat of the great drum holds a deep resonance, pulsing with the heart of the earth. Deborah's non-verbal vocals generate a sense of safety, wholeness and love. Use this music to provide a space of resourcing and resonance with your soul, with Gaia, and all life. Journey inward or move in the pulsing sound field. Note: The drum sounds best with speakers or headphones that have reasonable bass. Tiny computer speakers do not convey the power of this drum!
