

## Between Ocean and Bay: A Celebration of the Eastern Shore

Showcasing the extraordinary beauty of the eastern shores of Delaware, Maryland, and Virginia, this stunning photography book offers a look at a region of abundant wildlife, beautiful beaches, idyllic farms, and quaint seaside communities. From Chesapeake Bay on the west to the Atlantic Ocean on the east, the Eastern Shore provides unrivaled opportunities for recreation, conservation, and solitude and is blessed with numerous protected natural areas and a seasonal gathering of wildlife that has few equals on the North American continent. This breathtaking collection reveals the complex ecosystem and wild inhabitants of this special place through words and images, showing the Eastern Shores life and land as never seen before, and includes detailed photographers notes and extended captions describing how and where each photograph was taken.
