

Etiquette within the Social Dance

Etiquette within the Social Dance teaches you how to reasonably behave on the dance floor. It tells you everything you need to know about the most beautiful unspoken language: the Social Dance. This book is the first step to a more pleasant dance space, for a friendlier and larger community, for increased respect to the dancer next to you. The iBookstore eBook contains 15 videos made by professional dancers, that will help visualize the common conduit errors made on the dance floor, as well as helping you make the right decisions and have the best time while dancing.
