

Blackstones Police Q&A: Road Policing 2008

Designed to mirror the best-selling Blackstones Police Manuals, this series is written by experienced and highly successful question writers. Each Q&A book contains 100s of multiple-choice questions designed to reinforce knowledge and understanding of all four Police Manuals, and to highlight any gaps or weaknesses in that knowledge. Following subjects in the same sequence as the Manuals and drawing upon the relevant text, the Blackstones Police Q&As 2008 are essential revision for all police officers sitting the Sergeants Part 1 promotion examinations. The 2008 editions of this popular series contain substantial updates, reflecting changes to the 2008 versions of the Blackstones Police Manuals, and also contain handy paragraph references to the relevant Manual and a question checklist to mark the answers. This new edition focuses on Road Policing and has been revised and updated to include new questions on important areas such as the Road Safety Act 2006. Other titles in the series are: Crime Q&A 2008, Evidence and Procedure Q&A 2008, Road Policing Q&A 2008, and General Police Duties Q&A 2008. This product is not endorsed by CENTREX/NPIA.
