

Blackstones Police Q&A: Evidence and Procedure 2015

Blackstones Police Q&As 2015 are the essential revision tool for all police officers sitting the OSPRERG Part 1 promotion examinations. Written in partnership with the best-selling Blackstones Police Manuals, the only study guides endorsed by the College of Policing, the Q&As experienced author team follow subjects in the same sequence as the Manuals, providing the most authoritative means of self-testing outside of the promotion examinations. Blackstones Police Q&A: Evidence and Procedure 2015 contains hundreds of multiple-choice questions designed to reinforce knowledge and understanding of the Evidence and Procedure Manual. Matching the only format of questions you will see in an OSPRERG Part 1 examination, each question has a detailed and comprehensive answer that highlights not only the correct response, but also the reasoning behind the incorrect responses, allowing candidates to highlight any gaps or weaknesses in their knowledge. Full cross-references to the relevant Manual paragraphs and Keynotes encourage more effective studying, while a question checklist helps you track your progress. The 2015 editions of this popular series contain important updates, reflecting changes in the Blackstones Police Manuals. This new edition on Evidence and Procedure includes new questions on the Criminal Procedure Rules 2013, the Crime and Courts Act 2013, the Protection of Freedoms Act 2012, and revised PACE Codes C, E, F, and H. Other titles in the series are: Crime Q&A 2015, Road Policing Q&A 2015, and General Police Duties Q&A 2015. Blackstones Police Q&As are also available as part of our online Blackstones Police Manuals and Q&As service: <http://www.blackstonespolice.com> This product is not endorsed by the College of Policing.
