

Blue Book of Gun Values

30th Edition Blue Book of Gun Values by S.P. Fjestad is a softcover firearms pricing book published annually. The current 30th Edition contains 2,272 pages, and includes pricing and detailed technical information on domestic, foreign and military guns (both new and discontinued), major trademark antiques, commemoratives/special editions, and new 2009 models - including the red hot tactical configurations! Included in the 30th Anniversary Edition is a 80 page digital color Photo Percentage Grading System (the industry standard) showing rifles, shotguns and handguns in various percentages of condition from 0%-100%. The Blue Book of Gun Values is now being used by the NRA, most major insurance companies, thousands of gun/pawn shops, domestic and international collectors, and other firearms industry professionals to accurately determine gun values and other related data. With over 100,000 prices covering more than 700 manufacturers, and 1/2 million words of text, the 30th Edition is the most complete and up-to-date publication of its type in use.
