

Blue Guide Provence & the Cote D'Azur

The brash seediness of Marseilles; the glamour of Nice, Cannes, and St. Tropez; the charm of historic Arles, Orange, and Avignon --these are just a few of the places covered in this new Blue Guide. The architectural magnificence and artistic splendors of the major centers in Provence are covered in detail as are the tiny picturesque towns and villages off the beaten track. Artists, writers, and filmmakers all make their appearance, and the regions influence on their work is assessed.
