Body Scrubs: 30 Organic Body Scrub Recipes For Gorgeous Skin Learn How To Make Your Own Homemade Body Scrubs There's nothing better after a long, hard week than packing a day bag and heading off to your favorite spa for a relaxing, rejuvenating body scrub. It can be rough to juggle children, household chores, and your nine-to-five job while still maintaining your allure. Life is an uphill battle, for sure, but taking care of your skin is much easier than you think. It's not a matter of buying the most expensive skin creams or going regularly to the upscale spa across town. It's a matter of using quality ingredients and making your own organic body scrubs, right in the safety of your own kitchen! Homemade body scrubs are one of the best things that you can do for your skin. Not only can it remove dead and damaged skin cells from all over your body, it'll also encourage your skin to repair itself and prevent premature aging. The benefits of using scrubs are numerous, and include exfoliating to remove dirt and unclog skin pores, preventing acne and other skin problems, and even lightening the skin by encouraging new skin cell growth. In addition, you just can't beat the feeling of freshly scrubbed skin. Inside this e-book, you'll find the easiest, most cost-effective body scrub recipes to get the best skin you've ever had, through customizing and creating your very own body care products. The best part about making your own organic body scrubs in the safety and comfort of your own kitchen is that you can choose which vitamins and minerals to add to your body scrubs to maximize their healing effects.
