

Breastfeeding Solutions: Quick Tips for the Most Common Nursing Challenges

Even when mothers are highly motivated to breastfeed, when faced with obstacles like pain, worries about milk production, and difficulty pumping they may begin to question their good intentions. In situations like these, is weaning the best answer? Or are there simple ways to overcome challenges and meet their breastfeeding goals? Breastfeeding Solutions is the perfect book for any new mother who wants quick, practical solutions to common breastfeeding problems. The book includes illustrations, tables and charts, and other visual aids to make it easy to quickly find the answers without wading through hundreds of pages of text. Breastfeeding is one of the best things a mother can do. This book will help mothers overcome the hurdles so they can start cherishing this special time with their child.
